

# DT 770 PRO

## DYNAMIC STUDIO HEADPHONE LIMITED EDITION 32 OHMS

Art.No. 703818

The DT 770 PRO limited anniversary edition to honor the 88th anniversary of beyerdynamic is a treat with respect to comfort and look. The spring steel head bow with the eco-friendly electrophoretic coating provides optimum pressure on the ears and is enclosed by a soft and very comfortable "Softskin" head band. This can be replaced easily in next to no time and wiped clean with a damp cloth if necessary. The black, anodized aluminum brackets hold the extremely sturdy, glass bead reinforced ear cups in place, and replaceable "Softskin" ear cushions ensure comfortable and secure fit. The OFC (oxygen free copper) and consequently long-life cable with screwable 6.35 mm (1/4") stereo jack plug adapter ensures optimum connection to every available headphone outlet.

The anniversary headphones are completely in black. As a highlight, the aluminum lables with the embossed anniversary number "88" stand out especially. The design of the DT 770 PRO anniversary model rocks a lot more and appears unconventional without restricting the sturdiness and functions of the headphones.

Another special feature in this model is the impedance of 32 Ohms, which makes the headphones especially well suited for use on mobile terminals such MP3 players as well as on notebooks. Of course, the limited anniversary edition of the DT 770 PRO is "handmade in Germany" as is the standard model.

### FEATURES

- 32 Ohms drivers
- special aluminum "limited edition" label
- all black design
- 1.6 m (5.2 ft.) OFC single-sided cable with screwable 6.35 mm (1/4") adapter
- innovative bass reflex system for excellent bass reproduction

- glasball reinforced ear cups

### TECHNICAL SPECIFICATIONS

Transducer type	Dynamic
Operating principle	Closed
Nominal frequency response	5 - 35,000 Hz
Nominal impedance	32 $\Omega$
Nominal SPL	96 dB SPL
Nominal T.H.D.	< 0.2%
Power handling capacity	100 mW
Sound coupling to ear	Circumaural
Ambient noise isolation	approx. 20 dB(A)
Nominal headband pressure	approx. 3.5 N
Weight (without cable)	270 g
Length and type of cable	1.6 m straight cable
Connection	Gold plated stereo jack plug (3.5 mm) and 1/4" adapter (6.35 mm)

(all specifications according to EN 60 268-7)

### SPARE PARTS

EDT 770 S	Ear pads, soft PVC, circumaural	Art.No. 904783
EDT 770 V	Ear pads, velours, circumaural	Art.No. 926660
